Dear FCC:

I am writing as a concerned parent. I would like you to please not allow nudity, more vulgar language, and more innuendoes (ie homosexual partnerships) on television. It is not appropriate for minors to be watching these messages. I see too many children affected by what they watch on television. It is already bad enough. We certainly don't want to make our culture even worse.

I appreciate you allowing the public to express our concerns, and your considerations of the public. PLEASE don't allow any more vulgarity on our televisions.

Sincerely,

Tracy Lambert
